SUBJECT 11/3/15	Julie is doing well. She is adjusting to groups and her treatment schedule. She reported feeling "overwhelmed" by all of her new responsibilities.
	ACTION

NAME	Sarah W. C/S: 12/28/14 Admission: 05/01/15 Grad: 11/05/16
SUBJECT 11/3/15	Sarah is coming up on her year next month and has been reflecting on her self growth. She realizes how much she has changed since entering into Drug Court. She got a new job at Lite House and is planning on moving into her own apartment in a few months. She is on step 8 in MRT and stated that it is a tough step but is helping her to achieve her goals.
	ACTION

NAME	Anita W. C/S:04/17/15 Admission: 5/5/15 Grad: 11/1/16
SUBJECT 11/3/15	She has been attending all groups and doing well in treatment. Some of her peers are reporting that she may be "forging" her meeting slips because they rarely see her at any of the meetings. She also has been forgetting to submit her meeting verification forms at Drug Court.
	ACTION

NAME	Danny L. C/S: 02/25/14 Admission: 07/03/14 Grad: 01/07/15
SUBJECT 11/3/15	Danny appears to be going through the motions in group/individuals. He says all the right things and is doing the bare minimum. He does not seem to be really engaged and appears to be solely compliant. There have been a few groups where he has been acting like he is high or coming down from being high. There are rumors he is using but is testing clean.
	ACTION

	Charlie N. C/S: 8/9/15 Admission: 10/03/15 Grad: 04/05/17
SUBJECT 11/3/15	Charlie is new and adjusting to groups/individual sessions. He is not working and has begun community service hours. He has missed at least one group/individual session in each week over the past three weeks. He has been late to testing and missed a test on 11/1/15.
	ACTION

	Chris B. C/S: 9/5/15 Admission: 09/06/15 Grad: 03/02/17
SUBJECT 11/3/15	Chris came to treatment and reported that he drank last night. He also called his PO and DC Coordinator and informed them. He also came in this morning to DC and did an Etg. He admitted that he was hanging out with old friends and thought he could hang out without drinking, but thought that one wouldn't hurt him or show up on an Etg. He said after having that one, he just continued drinking all night. He reported that he drove home a few hours after quitting drinking.
	ACTION

SUBJECT 11/3/15	Teams needs to discuss participants forgetting meeting slips
